I would be interested in attending...we'll likely see what MDNR will be sending us for approval/disapproval. I wonder if Buzz might want to go too; I'll cc her to give her a heads up.

Subject: Availability for NNC Meeting, 12/7

Please let me know your availability for a meeting of the Water Quality Standards workgroup on December 7, 2016 from 1 – 4 pm. The department has tentatively reserved this time to update interested stakeholders on the Numeric Nutrient Criteria development process. Please respond directly to me with interest and availability. Thanks
